

CURRICULUM VITAE

Name: Xiang-mei Wang

Date and Place of Birth: October 1, 1972; Hunan, China

Academic Degree: M.Sc. (2004.6)

Academic Rank: Lecturer

Mailing address:

College of Science,
Guizhou University, Huaxi, Guiyang 550025, P. R. China
Telephone Numbers: +860 18685120229
E-mail: sci.xmwang@gzu.edu.cn

Education

- September 1989 - July 1993: B.Sc., Department of Mathematics, Xiangtan Normal College, Xiangtan, China
- September 2001 - July 2004: M.Sc., Department of Basic Course, Guizhou University of Technology, Guiyang, China
- September 2011 - July 2014: Ph.D., Department of Mathematics, Zhejiang University, Hangzhou, China

Research Interests

- Nonlinear optimizations

List of Publications

1. Subgradient projection algorithms for convex feasibility on Riemannian manifolds with lower bounded curvatures, **J. Optim. Theory Appl.**, to appear (with C. Li and J. C. Yao).
2. Projection algorithms for solving convex feasibility problems on Hadamard manifolds, **J. Nonlin. and Convex Anal.**, to appear (with C. Li and J. C. Yao).
